ARTICLE I.
DESCRIPTION OF SERIES 1996 BONDS.

SECTION 1. The forty-first series of Bonds to be executed, authenticated and delivered under and secured by the Indenture shall be the Series 1996 Bonds. The Series 1996 Bonds shall, subject to the provisions of Section 1 of Article II of the Original Indenture, be designated as "First Mortgage Bonds, 4 1/2% Series due March 15, 1996" of the Company. The Series 1996 Bonds shall be executed, authenticated and delivered in accordance with the provisions of, and shall in all respects be subject to, all of the terms, conditions and covenants of the Original Indenture and of this Supplemental Indenture.

The Series 1996 Bonds shall mature on March 15, 1996 and shall bear interest at the rate of four and one half percent per annum, payable semi-annually on the fifteenth days of March and September in each year (each such March 15 and September 15 being hereinafter called an "interest payment date"). The Series 1996 Bonds shall be payable as to principal and interest in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts, and shall be payable (as well the interest as the principal thereof) at the agency of the Company in the City of Milwaukee, Wisconsin; provided, however, at the option of the Company, payment of interest on any Series 1996 Bond may be made by check, mailed to the person entitled thereto at such address as shall appear on the transfer register.

The interest so payable on any interest payment date shall be paid to the persons in whose names the Series 1996 Bonds are registered at the close of business on the last business day (hereinafter called the "record date") which is more than ten calendar days prior to such interest payment date, a "business day" being any day which is not a day on which banks in the City of Milwaukee, Wisconsin, are authorized by law to close; except that if the Company shall default in the payment of any interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Series 1996 Bonds are registered on the date of payment of such defaulted interest, or at the election of the Company at the close of business on a special record date for the payment of such defaulted interest established by notice given by mail by or on behalf of the Company not less than fifteen calendar days preceding such special record date.

Except as provided hereinafter, every Series 1996 Bond shall be dated as of the date of its authentication and delivery, or if that is an interest payment date, the next day, and shall bear interest from the interest payment date next preceding its date or from March 15, 1993, whichever is later. Notwithstanding Section 6 of Article II of the Original Indenture, any Series 1996 Bond authenticated and delivered by the Trustee after the close of business on the record date with respect to any interest payment date and prior to such interest payment date shall be dated as of the date next following such interest payment date and shall bear interest from such interest payment date; except that if the Company shall default in the payment of any interest due on such interest payment date, such Bond shall bear interest from the interest payment date to which interest on such Bond has been paid or March 15, 1993, whichever is later.

SECTION 2. The Series 1996 Bonds shall be registered bonds without coupons, of the denomination of \$1,000 and any multiple of \$1,000, numbered consecutively from R1 upwards.

FIRSTAR TRUST COMPANY,
Trustee,

By.....
Authorized Officer

[REMAINDER OF TEXT OF BOND]

This Bond is one of a duly authorized issue of Bonds of the Company (herein called the "Bonds"), in unlimited aggregate principal amount, of the series hereinafter specified, all issued and to be issued under and equally secured by a mortgage and deed of trust, dated October 28, 1938, executed by the Company to Firststar Trust Company (formerly First Wisconsin Trust Company) (herein called the "Trustee"), as Trustee, as amended by the indentures supplemental thereto dated June 1, 1946, May 1, 1952, April 1, 1958, December 1, 1980, January 15, 1988, October 1, 1992 and November 1, 1992, between the Company and the Trustee (said mortgage and deed of trust, as so amended, being herein called the "Amended Indenture") and all indentures supplemental thereto, to which Amended Indenture and all indentures supplemental thereto reference is hereby made for a description of the properties mortgaged and pledged, the nature and extent of the security, the rights of the registered owners of the Bonds, of the Company and of the Trustee in respect thereto, and the terms and conditions upon which the Bonds are, and are to be, secured. To the extent permitted by, and as provided in, the Amended Indenture, modifications or alterations of the Amended Indenture, or of any indenture supplemental thereto, and of the rights and obligations of the Company and of the holders of the Bonds may be made with the consent of the Company by an affirmative vote of not less than 75% in amount of the Bonds entitled to vote then outstanding, at a meeting of Bondholders called and held as provided in the Amended Indenture or by written consent in lieu of a meeting, and by an affirmative vote of not less than 75% in amount of the Bonds of any series entitled to vote then outstanding and affected by such modification or alteration, in case one or more but less than all of the series of Bonds then outstanding under the Amended Indenture are so affected; provided, however, that no such modification or alteration shall be made which will affect the terms of payment of the principal of, or interest or premium (if any) on, this Bond, which are unconditional. The Bonds may be issued in series, for various principal sums, may mature at different times, may bear interest at different rates and may otherwise vary as in the Amended Indenture provided. This Bond is one of a series designated as the "First Mortgage Bonds, 4 1/2% Series due March 15, 1996" (herein called "Series 1996 Bonds") of the Company, issued under and secured by the Amended Indenture and all indentures supplemental thereto and described in the Thirty-Seventh Supplemental Indenture dated March 15, 1993 (hereinafter called the "Supplemental Indenture of March 15, 1993"), executed by the Company to the Trustee.

Under a provision of the Supplemental Indenture of December 1, 1980, to become effective at such date as no Bonds remain outstanding of any series created on a date prior to December 1, 1980, the percentage vote referred to in the preceding paragraph will be changed from 75% to 66 2/3%. Certain modifications contained in the Supplemental Indenture of October 1, 1992 become effective upon the earlier of the date when no Bonds of any series created prior to October 1, 1992 remain outstanding or the date such modifications shall have been consented to by Bondholders. Such modifications will, in general, (i) allow for the issuance of Additional Bonds for an aggregate principal amount of up to 70% of the amount of Net Bondable Value of Property Additions Not Subject to an Unfunded Prior Lien, as compared with the limitation of 60% now set forth in the Amended Indenture, (ii) permit the issuance of Prior Lien Bonds for an aggregate principal amount of up to 70% of the amount of Net Bondable Value of Property Additions Subject to an Unfunded Prior Lien, as compared with the limitation of

60% now set forth in the Amended Indenture, (iii) allow the Company to acquire property subject to any Unfunded Prior Lien, if at the time of acquisition the principal amount of outstanding indebtedness subject to such lien or liens does not exceed 70% (as compared to 60% currently) of the lesser of the cost or fair value to the Company of the property of the nature of Property Additions subject to such lien or liens, (iv) amend the definitions of "Net Bondable Value of Property Additions Not Subject to an Unfunded Prior Lien" and "Net Bondable Value of Property Additions Subject to an Unfunded Prior Lien" by changing the ratio to be applied to certain dollar amounts in each definition's calculation from ten-sixths to ten-sevenths, (v) provide that, in the case of a proposed merger in which the Company would not be the survivor, such a transaction may not occur if the principal amount of indebtedness outstanding immediately after the merger subject to a lien or liens prior to that of the Company's exceeds 70% (as compared to 60% currently) of the lesser of cost or fair value of the property of the nature of Property Additions then owned by the survivor, and (vi) make certain conforming and other changes. Each holder of this Bond, by his acceptance hereof, shall have, inter alia, thereby consented to such provisions, as well as to the other amendments and additions to the Amended Indenture contained in the Supplemental Indentures of December 1, 1980, January 15, 1988 and October 1, 1992, and shall have irrevocably appointed the Company, with full power of substitution, to attend any meeting of Bondholders convened to consider any of the amendments or additions to the Amended Indenture contained in such Supplemental Indentures of December 1, 1980, January 15, 1988 and October 1, 1992 and to vote this Bond in favor of any resolution or resolutions proposing any such amendment or addition.

Prior to their maturity, the Series 1996 Bonds are not subject to redemption at the option of the Company or through the operation of a sinking fund and are not subject to repayment at the option of any holder.

In case an event of default, as defined in the Amended Indenture, shall occur, the principal of all the Bonds at any such time outstanding under the Amended Indenture and all indentures supplemental thereto may be declared or may become due and payable, upon the conditions and in the manner and with the effect provided in the Amended Indenture. The Amended Indenture provides that such declaration may in certain events be waived by the holders of a majority in principal amount of the Bonds outstanding.

This Bond is transferable by the registered owner hereof, in person or by duly authorized attorney, on the books of the Company to be kept for that purpose at the agency of the Company in the City of Milwaukee, Wisconsin, upon surrender and cancellation of this Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new registered Bond or Bonds of the same series, of the same aggregate principal amount and in authorized denominations, will be issued to the transferee or transferees in exchange herefor; and this Bond, with or without others of like form and series, may in like manner be exchanged for one or more new registered Bonds of the same series of other authorized denominations but of the same aggregate principal amount; all subject to the terms and conditions set forth in the Amended Indenture.

No recourse shall be had for the payment of the principal of, or the interest on, this Bond, or for any claim based hereon or on the Amended Indenture or any indenture supplemental thereto, against any incorporator, or against any stockholder, director or officer, as such, past, present or future, of the

Company, or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether for amounts unpaid on stock subscriptions or by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitution, statute or otherwise, of incorporators, stockholders, directors or officers, as such, being released by every owner hereof by the acceptance of this Bond and as part of the consideration for the issue hereof, and being likewise released by the terms of the Amended Indenture.

The Series 1996 Bonds are to be issued initially under a book-entry only system and, except as hereinafter provided, registered in the name of The Depository Trust Company, New York, New York ("DTC") or its nominee, which shall be considered to be the holder of all of the Series 1996 Bonds for all purposes of the Amended Indenture, including, without limitation, payment by the Company of principal of and interest on such Series 1996 Bonds and receipt of notices and exercise of rights of holders of such Series 1996 Bonds. There shall be one or more Series 1996 Bonds which shall be immobilized in the custody of DTC with the owners of book-entry interests in Series 1996 Bonds ("Book-Entry Interests") having no right to receive Series 1996 Bonds in the form of physical securities or certificates. Ownership of Book-Entry Interests shall be shown by book entry on the system maintained and operated by DTC, its participants (the "Participants") and certain persons acting through the Participants. Transfers of ownership of Book-Entry Interests are to be made only by DTC and the Participants by that book-entry system, the Company and the Trustee having no responsibility therefor so long as the Series 1996 Bonds are registered in the name of DTC or its nominee. DTC is to maintain records of the positions of Participants in the Series 1996 Bonds, and the Participants and persons acting through Participants are to maintain records of the purchasers and owners of Book-Entry Interests. If DTC or its nominee determines not to continue to act as a depository for the Series 1996 Bonds in connection with a book-entry only system, another depository, if available, may act instead and such Bond(s) will be transferred into the name of such other depository or its nominee, in which case the above provisions will continue to apply but to the new depository. If the book-entry only system for Series 1996 Bonds is discontinued for any reason, upon surrender and cancellation of the Bond(s) registered in the name of the then depository or its nominee, new registered Series 1996 Bonds will be issued in authorized denominations to the holders of Book-Entry Interests in principal amounts coinciding with the amounts of such Book-Entry Interests shown on the book-entry system immediately prior to the discontinuance thereof. Neither the Trustee nor the Company shall be responsible for the accuracy of the interests shown on that system.

SECTION 4. Until the Series 1996 Bonds in definitive form are ready for delivery, the Company may execute, and upon its request in writing the Trustee shall authenticate and deliver, in lieu thereof, Series 1996 Bonds in temporary form, as provided in Section 9 of Article II of the Original Indenture.

ARTICLE II.
DESCRIPTION OF SERIES 2016 BONDS.

SECTION 1. The forty-second series of Bonds to be executed, authenticated and delivered under and secured by the Indenture shall be the Series 2016 Bonds. The Series 2016 Bonds shall, subject to the provisions of Section 1 of Article II of the Original Indenture, be designated as "First Mortgage Bonds, 7 1/8% Series due March 15, 2016" of the Company. The Series 2016 Bonds shall be executed, authenticated and delivered in accordance with the provisions of, and shall in all respects be subject to, all of the terms, conditions and covenants of the Original Indenture and of this Supplemental Indenture.

The Series 2016 Bonds shall mature on March 15, 2016 and shall bear interest at the rate of seven and one eighth percent per annum, payable semi-annually on the fifteenth days of March and September in each year (each such March 15 and September 15 being hereinafter called an "interest payment date"). The Series 2016 Bonds shall be payable as to principal and interest in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts, and shall be payable (as well the interest as the principal thereof) at the agency of the Company in the City of Milwaukee, Wisconsin; provided, however, at the option of the Company, payment of interest on any Series 2016 Bond may be made by check, mailed to the person entitled thereto at such address as shall appear on the transfer register.

The interest so payable on any interest payment date shall be paid to the persons in whose names the Series 2016 Bonds are registered at the close of business on the last business day (hereinafter called the "record date") which is more than ten calendar days prior to such interest payment date, a "business day" being any day which is not a day on which banks in the City of Milwaukee, Wisconsin, are authorized by law to close; except that if the Company shall default in the payment of any interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names the Series 2016 Bonds are registered on the date of payment of such defaulted interest, or at the election of the Company at the close of business on a special record date for the payment of such defaulted interest established by notice given by mail by or on behalf of the Company not less than fifteen calendar days preceding such special record date.

Except as provided hereinafter, every Series 2016 Bond shall be dated as of the date of its authentication and delivery, or if that is an interest payment date, the next day, and shall bear interest from the interest payment date next preceding its date or from March 15, 1993, whichever is later. Notwithstanding Section 6 of Article II of the Original Indenture, any Series 2016 Bond authenticated and delivered by the Trustee after the close of business on the record date with respect to any interest payment date and prior to such interest payment date shall be dated as of the date next following such interest payment date and shall bear interest from such interest payment date; except that if the Company shall default in the payment of any interest due on such interest payment date, such Bond shall bear interest from the interest payment date to which interest on such Bond has been paid or March 15, 1993, whichever is later.

SECTION 2. The Series 2016 Bonds shall be registered bonds without coupons, of the denomination of \$1,000 and any multiple of \$1,000, numbered consecutively from R1 upwards.

SECTION 3. The Series 2016 Bonds and the Trustee's Certificate to be endorsed on the Series 2016 Bonds shall be substantially in the following forms respectively:

The Bonds may be issued in series, for various principal sums, may mature at different times, may bear interest at different rates and may otherwise vary as in the Amended Indenture provided. This Bond is one of a series designated as the "First Mortgage Bonds, 7 1/8% Series due March 15, 2016" (herein called "Series 2016 Bonds") of the Company, issued under and secured by the Amended Indenture and all indentures supplemental thereto and described in the Thirty-Seventh Supplemental Indenture dated March 15, 1993 (hereinafter called the "Supplemental Indenture of March 15, 1993"), executed by the Company to the Trustee.

Under a provision of the Supplemental Indenture of December 1, 1980, to become effective at such date as no Bonds remain outstanding of any series created on a date prior to December 1, 1980, the percentage vote referred to in the preceding paragraph will be changed from 75% to 66 2/3%. Such modifications will, in general, (i) allow for the issuance of Additional Bonds for an aggregate principal amount of up to 70% of the amount of Net Bondable Value of Property Additions Not Subject to an Unfunded Prior Lien, as compared with the limitation of 60% now set forth in the Amended Indenture, (ii) permit the issuance of Prior Lien Bonds for an aggregate principal amount of up to 70% of the amount of Net Bondable Value of Property Additions Subject to an Unfunded Prior Lien, as compared with the limitation of 60% now set forth in the Amended Indenture, (iii) allow the Company to acquire property subject to any Unfunded Prior Lien, if at the time of acquisition the principal amount of outstanding indebtedness subject to such lien or liens does not exceed 70% (as compared to 60% currently) of the lesser of the cost or fair value to the Company of the property of the nature of Property Additions subject to such lien or liens, (iv) amend the definitions of "Net Bondable Value of Property Additions Not Subject to an Unfunded Prior Lien" and "Net Bondable Value of Property Additions Subject to an Unfunded Prior Lien" by changing the ratio to be applied to certain dollar amounts in each definition's calculation from ten-sixths to ten-sevenths, (v) provide that, in the case of a proposed merger in which the Company would not be the survivor, such a transaction may not occur if the principal amount of indebtedness outstanding immediately after the merger subject to a lien or liens prior to that of the Company's exceeds 70% (as compared to 60% currently) of the lesser of cost or fair value of the property of the nature of Property Additions then owned by the survivor, and (vi) make certain conforming and other changes. Each holder of this Bond, by his acceptance hereof, shall have, inter alia, thereby consented to such provisions, as well as to the other amendments and additions to the Amended Indenture contained in the Supplemental Indentures of December 1, 1980, January 15, 1988

and October 1, 1992, and shall have irrevocably appointed the Company, with full power of substitution, to attend any meeting of Bondholders convened to consider any of the amendments or additions to the Amended Indenture contained in such Supplemental Indentures of December 1, 1980, January 15, 1988 and October 1, 1992 and to vote this Bond in favor of any resolution or resolutions proposing any such amendment or addition.

The Series 2016 Bonds are subject to redemption at any time or from time to time on or after March 15, 2003 and prior to maturity, at the option of the Company, either as a whole or in part, upon payment of the redemption prices applicable to the respective periods set forth below, together, in each case, with accrued interest to the redemption date; all subject to the conditions and as more fully set forth in the Amended Indenture and the Supplemental Indenture of March 15, 1993.

Redemption Prices Expressed as Percentages of the Principal
Amount of the Bonds

<u>If Redeemed During the 12-Month Period Ending March 14</u>		<u>Redemption Price</u>	<u>If Redeemed During the 12-Month Period Ending March 14</u>		<u>Redemption Price</u>
2004	102.76%	2009	101.38%
2005	102.49	2010	101.11
2006	102.21	2011	100.83
2007	101.93	2012	100.55
2008	101.66	2013	100.28

and thereafter at 100%.

The Series 2016 Bonds are not subject to redemption at the option of the Company prior to March 15, 2003 and are not subject to redemption through the operation of a sinking fund nor subject to repayment at the option of any holder.

Notice of redemption shall be mailed, not less than thirty days nor more than sixty days prior to the redemption date, to all registered owners of the Bonds to be redeemed, at their addresses as the same shall appear on the transfer register of the Company; all subject to the conditions and as more fully set forth in the Amended Indenture and the Supplemental Indenture of March 15, 1993. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the owner receives it.

In case an event of default, as defined in the Amended Indenture, shall occur, the principal of all the Bonds at any such time outstanding under the Amended Indenture and all indentures supplemental thereto may be declared or may become due and payable, upon the conditions and in the manner and with the effect provided in the Amended Indenture. The Amended Indenture provides that such declaration may in certain events be waived by the holders of a majority in principal amount of the Bonds outstanding.

This Bond is transferable by the registered owner hereof, in person or by duly authorized attorney, on the books of the Company to be kept for that purpose at the agency of the Company in the City of Milwaukee, Wisconsin, upon surrender and cancellation of this Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new registered Bond or Bonds of the same series, of the same aggregate principal amount and in authorized denominations, will be issued to the transferee or transferees in exchange herefor; and this Bond, with or without others of like form and series, may in like manner be exchanged for one or more new registered Bonds of the same series of other authorized denominations but of the same aggregate principal amount; all subject to the terms and conditions set forth in the Amended Indenture.

No recourse shall be had for the payment of the principal of, or the interest on, this Bond, or for any claim based hereon or on the Amended Indenture or any indenture supplemental thereto, against any incorporator, or against any stockholder, director or officer, as such, past, present or future, of the Company, or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether for amounts unpaid on stock subscriptions or by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitution, statute or otherwise, of incorporators, stockholders, directors or officers, as such, being released by every owner hereof by the acceptance of this Bond and as part of the consideration for the issue hereof, and being likewise released by the terms of the Amended Indenture.

The Series 2016 Bonds are to be issued initially under a book-entry only system and, except as hereinafter provided, registered in the name of The Depository Trust Company, New York, New York ("DTC") or its nominee, which shall be considered to be the holder of all of the Series 2016 Bonds for all purposes of the Amended Indenture, including, without limitation, payment by the Company of principal of and interest on such Series 2016 Bonds and receipt of notices and exercise of rights of holders of such Series 2016 Bonds. There shall be one or more Series 2016 Bonds which shall be immobilized in the custody of DTC with the owners of book-entry interests in Series 2016 Bonds ("Book-Entry Interests") having no right to receive Series 2016 Bonds in the form of physical securities or certificates. Ownership of Book-Entry Interests shall be shown by book entry on the system maintained and operated by DTC, its participants (the "Participants") and certain persons acting through the Participants. Transfers of ownership of Book-Entry Interests are to be made only by DTC and the Participants by that book-entry system, the Company and the Trustee having no responsibility therefor so long as the Series 2016 Bonds are registered in the name of DTC or its nominee. DTC is to maintain records of the positions of Participants in the Series 2016 Bonds, and the Participants and persons acting through Participants are to maintain records of the purchasers and owners of Book-Entry Interests. If DTC or its nominee determines not to continue to act as a depository for the Series 2016 Bonds in connection with a book-entry only system, another depository, if available, may act instead and such Bond(s) will be transferred into the name of such other depository or its nominee, in which case the above provisions will continue to apply but to the new depository. If the book-entry only system for Series 2016 Bonds is discontinued for any reason, upon surrender and cancellation of the Bond(s) registered in the name of the then depository or its nominee, new registered Series 2016 Bonds will be issued in authorized denominations to the holders of Book-Entry Interests in principal

amounts coinciding with the amounts of such Book-Entry Interests shown on the book-entry system immediately prior to the discontinuance thereof. Neither the Trustee nor the Company shall be responsible for the accuracy of the interests shown on that system.

SECTION 4.
